

# Dext

## Customer Spotlight

### About Dext

Dext is trusted by thousands of accountants, bookkeepers and businesses worldwide for their accounting solutions and online bookkeeping tools. Their goal is to help their customers be more productive and save time on their day-to-day tasks. Needing to replace their existing billing capabilities to evolve their products and strengthen their go-to-market positioning and growth, they selected BillingPlatform.

### Dext's Business Objectives

- Eliminate heavy manual intervention in their billing processes
- Replace outdated legacy systems with best-of-breed solutions that allows them to grow and expand their business
- Expand billing methods and manage charging capabilities such as proration to handle changes to products

### BillingPlatform's Solution

- Offers an end-to-end platform that provides features and flexibility to handle both subscriptions and complex usage billing
- Allows for scalability and future usability for differentiated pricing structures and go-to-market strategies
- Provides interoperability in Dext's financial tech stack and seamlessly integrates with multiple 3rd party and legacy systems

### Dext's Outcomes and Results

✓ Eliminate revenue leakage and expand billing models in future

✓ Reduce manual errors via automation and improve transparency
